School Holiday Programme

Our January School Holiday Programme was a real hit with every day being at full capacity.

The kids enjoyed trips to Willowbank, Ferrymead, QEII Gym and Ten Pin Bowling, plus a visit from Proactive Martial Arts. We spent our days making all sort of things from Sushi to mini foosball tables! See our photos over the page. The April School Holiday Programme will be released mid March. Please contact us if you would like to be notified by email.

Homework at Kidz Time

Homework time will run from 3:30 – 4:00pm every day. During this time we are happy to assist with one aspect of homework. Juniors can read with Emajane in the quiet corner while Matt or Sandy will assist our older children with homework sheets or silent reading. If your child has homework on a device, please let us know. There is no Wi-Fi. If you would like us to help your child with their homework, please add their name to the list next to the sign out sheets.
