

Important Notices

- Please ensure you call or text us if your child is going to be absent from Kidz Time. A fee will be charged when we are not notified.
- Electronics at Kidz Time: We allocate 20 minutes per day where children can use devices. Please ensure you have read our electronics policy.
- Our new Level System is well under way for our senior children. Please chat about this with your child and feel free to discuss any questions you may have with Emajane. We already have 5 seniors at Level Two, which is fantastic!

School Holiday Programme

The July School Holiday Programme flew by with our children enjoying trips to the Air Force Museum, Martial Arts and Hoyts Cinemas. We were also treated to a bouncy castle which the children loved! A highlight of the programme was our 'Deconstruction' day where the children were encouraged to experiment with various tools and carefully deconstruct appliances then attempt to put them back together afterwards. Keep your eyes peeled for our October Programme coming soon!

Child Protection Training

Emajane, Sandy and Matt attended the OSCAR Child Protection Training course this term, which is an Oranga Tamaki (formally Child, Youth and Family) requirement for all OSCAR based programmes. The course covered various topics and provided us with the skills and resources to become more aware and effective in the safeguarding of our children, the programme, and ourselves. Eloise and Laura are set to complete their First Aid Courses in September.
